

BridgePrep Academy

South Campus

Free Mobile APP

BridgePrep Academy South Campus is delighted to announce that we now have our new school "APP." YourSchoolApp.biz developed this app with the entire BridgePrep Academy South Campus family in mind. Having this new tool in the palm of your hands not only keeps all app users up to date with important school information but will also enhance the learning experience for our students. Our new mobile app leverages the cutting edge technology of today to make life easier for students, parents, and teachers alike.

Below are just some of the features of our new app: Push Notifications; Current Event Calendar; Directory; Parent & Student Resources; Portal Access & One touch email capability from the Directory.

To get your free APP, go to App Store or Google Play, search for [BridgePrep Academy South](#), download & stay connected. When downloading be sure to click Continue or Allow (depending on device) for Push Notifications in order to receive your messages.
