A	90 – 100%	Outstanding progress	4
B	80 – 89%	Above average progress	3
C	70 – 79%	Average Progress	2

# Home Learning Policy

4 <sup>th</sup> – 8 <sup>th</sup> grade	Daily	75 minutes

1. Students are responsible for recording and completing all Home Learning Assignments independently. Parents may provide assistance, but students must complete the work on their own.
2. Home Learning Assignments should be done in a quiet place with good lighting and minimal disturbances.
3. If there is a problem in understanding how to complete Home Learning Assignments, students are to do the very best job possible. If a student does not understand the assignment(s), they are encouraged to bring it in the next day and ask the teacher for assistance. In this case, the homework should be completed that evening along with the regular Home Learning Assignments.
