

BridgePrep Academy South  
Winter Home Learning Assignments

Dear BridgePrep Academy South Families,

As we enter the Winter Break, we request your support to continue to allow your children to practice what they have all learned in school thus far. Below is a plan that has been created to ensure your child's academic success. This will allow each student to stay within the grade level expectations rather than returning back to school out of routine. We are not sending paper-based assignments. The technology programs listed below along with their required timing are the assignments for your child to complete between December 21, 2019-January 5, 2020. The goal is to have our students return with a stronger grasp on their grade level standards and fully ready to continue where they each ended in December. Students will be awarded with completion credit for their efforts in completing these assignments indicated below for their respective grade level.

<b>Grade</b>	<b>Assignment</b>	<b>Requirement</b>
<b>Kindergarten</b>	IStation Reading	1 hour total
	IStation Math	1 hour total
	IStation Spanish	1 hour total
<b>First Grade</b>	IStation Reading	1 hour total
	IStation Math	1 hour total
	IStation Spanish	1 hour total
	Reflex Math	1 hour total
<b>Second – Fifth Grade</b>	Achieve 3000	4 Articles
	IStation Math	1 hour total
	Reflex Math	1 hour total
<b>Sixth – Eighth Grade</b>	Achieve 3000	4 Articles
	Carnegie: Mathia	4 hours total
	Reflex Math	2 hours total

Thank you for your support.

Happy Holidays & Happy New Year!
