Thankful & Grateful

MESSAGE FROM Administration

Dear Bulldog Family,

Thank you for your support & participation in our Trunk or Treat event. We were extremely happy to see our students enjoy a few minutes of an annual event they truly enjoy!

The following few months have been very different, but our community has been very dedicated & supportive in various ways. Our teachers strive to make the in-person and remote learning students feel as one class. Their ways of incorporating lessons & conversations with both teaching models has been impressive!

We will all continue to provide a rigorous curriculum within a family environment and need all students to complete and submit their assignments on time. This will allow us all to continue moving forward academically with all of our students.

Agendas, weekly calendars & gradebook monitoring are ways you can support your child in this vital area.

We look forward to seeing you in our Administration-Parent Chats for more information & ways you can support your child's academics.
