

BridgePrep Academy South
Winter Break 2020
Home Learning Assignments

Dear BridgePrep Academy South Families,

As we enter the Winter Break, we request your support to ensure your children can practice what they have all learned in school thus far. Below is a plan that has been created for your child's academic success. This will allow each student to stay within the grade level expectations rather than returning back to school out of routine. We are not sending paper-based assignments. The technology programs listed below along with their required timing are the assignments for your child to complete between December 19, 2020 - January 3, 2021. Our goal is to have our students return fresh, ready to continue learning where they left off in December. Students will be awarded with completion credit for their efforts in completing these assignments.

Grade	Assignment	Requirement
K – 1 st Grade	IStation Reading	1 hour total
	IStation Math	1 hour total
2 nd – 5 th Grade	Achieve 3000	4 Articles
	Reflex Math	3 Green Lights
6 th – 8 th Grade	Achieve 3000	4 Articles
	Carnegie: Mathia	6 Work Spaces

Thank you for your support.

Happy Holidays & Happy New Year!
