Dear BridgePrep Families,

We have just begun our Mid-Year Assessments at BridgePrep Academy South. This assessment will allow teachers to evaluate how their students are progressing in class and guide teachers on data driven instruction. These assessments provide our students with authentic practice test experience in preparation for state assessments in the Spring. Any student who is currently Remote and needs additional support may choose to come to our campus to complete the assessment. An appointment must be made, and walk-ins will not be allowed. Parents are asked to contact the Assistant Principal Mrs. Beceiro via email (mbeceiro@bridgeprepsouth.com) to coordinate a date and time for your child. If you chose to take the assessment at home, we ask that your child has a quiet space where they can take the assessment without any distractions. Our goal is to ensure all our students do exceptional with the guidance and support from our teachers and staff. Below is a graph that outlines the tests per grade level and the allotted time permitted for each.
