March 18, 2020

Dear BridgePrep Academy South Families,

Throughout the school closure this week due to the Coronavirus pandemic, our school has been using Educational Networks (BridgePrep Academy website) and Zoom meetings to communicate with our students and their families. By now, all families are aware of the assignment requirements and how teachers will be monitoring and communicating throughout this time period.

All students are required to follow their daily schedules and instructions given in their Zoom meetings and in their assignments posted on Educational Networks (BridgePrep Academy website). Teachers will continue to monitor student attendance at the start of the Zoom meetings. Students are expected to attend their Zoom meetings as if they were attending class at BridgePrep Academy South. If a student cannot attend a meeting on Zoom due to illness, their parent/guardian must email the administration of our school at:

Yvette Rodriguez: [yrodriguez@bridgeprepsouth.com](mailto:yrodriguez@bridgeprepsouth.com) for K-4th grade or  
Maydelin Beceiro: [mbeceiro@bridgeprepsouth.com](mailto:mbeceiro@bridgeprepsouth.com) for 5-8<sup>th</sup> grade.

While the temporary transition to remote learning is a significant change for students and teachers, we are prepared to handle this challenge along your side. Parents/guardians may email teachers with particular questions and they will respond in a timely manner throughout this situation. All teachers are available through their BridgePrep Academy South emails and live through their Zoom meetings. Please note that all subject areas in all grade levels will be following the same protocol and requirements.

Once again, all assignments will be posted on Educational Networks (BridgePrep Academy website), Zoom meetings will occur daily and all required assignments are to be completed by students at their indicated due date. Our teachers will be reviewing assignments and providing feedback to students on a daily basis. It is imperative that families assist their child during these days in order for them to adapt to this new process with ease.

Our faculty and staff has been working diligently to ensure added stresses or anxieties are avoided. At this moment, our focus is to ensure that all of our students in kindergarten-8<sup>th</sup> grades are able to retrieve their assignments, communicate with their teachers and complete the assignments on time.

Thank you,

Yvette Rodriguez  
Principal
