

Remote Learning Checklist

Things to do every day:

- ✓ Write down/print your new Distance Learning schedule that your homeroom teacher provides.
- ✓ Log into Zoom daily for teacher instruction. Make sure to focus and follow along. You may ask questions through the Zoom chat or talk to your teacher. **Make sure to follow your schedule and remember you have special areas as well.**
- ✓ Log into Educational Networks (school website) daily for assignment information and submissions.
- ✓ Complete and upload the assignments your teacher(s) posted in a timely manner (PDF and word docs work best). **Check for due dates.**
- ✓ Complete other digital assignments (these can include any of the following programs: IStation, Reflex Math, Achieve 3000, Carnegie MATHia, Science4Us, Gizmos, etc.)

Remember to:

- ✓ Keep yourself organized and write down your daily assignments and home learning.
- ✓ Find a workspace that is distraction free and has space for your items.
- ✓ Be an honest BridgePrep Bulldog and complete all work independently.
- ✓ Represent BridgePrep with pride and wear your uniform top or sweater.
- ✓ If confused about an assignment, log into your teacher's Zoom account during their office hours for assistance.
- ✓ Wipe your keypads and earphones daily

Additional Student Support:
