MESSAGE FROM

Administration

Bulldog Families,
As we enter the holiday season, this is a great time to motivate our students to read for pleasure & build upon reading as a lifelong habit. We invite you to purchase books in topics of your child's interests & in these holidays while making it a daily practice to ask them about their books & stories they have read. Whether asking them questions in Spanish or English, responding to any questions is a goal for reading comprehension.

Monitoring their iStation data is another way to have academic conversations with your child. Your child's teacher may assist you with this. Always remember we are a call or message away to help you support your child's academic needs.

"We are in this together"
