

# FRIENDLY Reminders

**"We will ROCK these tests"**

Testing Season is here!  
Before Spring Break, we hosted a pep rally for all of our students. Excitement & motivation filled the air!  
Visit our Facebook & Instagram sites for pictures.

# APRIL

# MESSAGE FROM Administration

One year ago, the educational experience was dramatically impacted, uprooting students and employees from their educational haven- our school. Educators were tasked with reinventing the teaching & learning, developing more creative ways to engage with children while keeping them on-track, and ensuring families stayed connected through the process. While those were & continue to be challenging times, we have crafted new ways and remain proud of our teachers, staff & community for all we have done & will continue to do for children. April & May bring in the testing season and we are ready to "ROCK IT"!

Be sure to check your DOJOs daily in order to continue the support and constant communication with your children and their teachers.

We are all here to assist you!  
Yvette Rodriguez, Principal  
Maydelin Beceiro, Assistant Principal  
Jessica Carricaburu, "Ms. C",  
Instructional Coach
