

SEPTEMBER

It's finally Fall!

MESSAGE FROM Administration

Bulldog Families, Welcome the new school year! You are just as important as the children we service directly. Without you, we will not reach our full potential as a school. We value you, your time & efforts to ensure children have all they need for a healthy upbringing! We look to you as a partner in your child's education. We are excited to work with you and to greet you with a smile and open arms each day. BPA South will be a place where you are welcome any time.

Through consistent & clear communication, we will be able to work together to bring the best out of our students.

Class DOJO, Facebook, Instagram & our school website are the platforms we use often. The DadeSchools app will allow you to monitor your child's grades weekly. Be sure to download & /or join these platforms to be prepared for all the excitement the school year brings!

FRIENDLY Reminders

Open House will be on September 15th! See DOJO for specific times. This event will allow the school & home to learn of way to further unite for our students. Teachers will present their schedules, policies, grading criteria & other plans for the school year. Be sure to attend as teachers have lots of details to share with you. If possible, one parent per child should attend.
