# MESSAGE FROM Administration

Dear Bulldog Families,  
As the THIRD grading period begins, it is very important that you remain in communication with your child's teachers. All grade levels will be working diligently to provide our students with practices within the grade level standards and expectations but your support at home is just as important. Communication with teachers, students' completion of all assignments & providing opportunities for students to study and review at home are necessary to have a successful grading period.

Should you need further clarification please email the teachers or administrators.
