MESSAGE FROM Administration

Dear Families,
This is a very important time of the school year due to the upcoming assessments that all k-8th graders will be administered. Besides those mentioned here, students will also continue to work on the Florida Standards to prepare for the other assessments they will take in May. *Your support can be by ensuring your child continues to practice on iStation, Achieve 3000, MATHIA, Reflex Math and USA Test Prep (depending on your child's grade level) regularly. Your child will also need to complete their paper assignments and **study** their notes to be fully prepared to succeed.*
