April showers bring May flowers.

## MESSAGE FROM Administration

Happy Spring!

As we enter this new month, our Bulldogs will be completing their state & district assessments. We have worked extremely hard to prepare for these days.

Our students are ready!

Be sure to see the schedules on DOJO to ensure to have your child on time to test with their respective group.

Please take a moment to thank your child's teachers as they have given their hearts to best support academics, social & emotional needs for all of our students this school year. It has been an adjustment year & we are proud of everyone's efforts in making it as comfortable & nurturing as possible. We look forward to planning for next school year already!
