

Dear BridgePrep Academy South Community,

I hope each of you is enjoying a relaxing and invigorating summer.

It is an honor to introduce myself as the new principal of our school.

As we look ahead to rejoining this fall, I would like to assure you that I share in this school community's commitment to caring for your children each and every day while providing them a world-class learning environment.

As I begin my fourth year at BridgePrep Academy South, I am grateful for the opportunity to have served you as Vice Principal during the prior three years.

In addition to my role as school administrator, I have 20 years of experience as a teacher and Instructional Coach. I am also a parent at our school, with my youngest son beginning first grade here this upcoming school year.

I look forward to many successes ahead for our students and staff and in continuing the legacy of an academically strong institution within a loving and nurturing environment.

The 2024-2025 school year will mark my 24th year in education and while I am embarking on this new role, I am excited about remaining connected and working collaboratively with our teachers in order to prepare our children to be productive and caring members of our society.

In closing, The BridgePrep Academy South staff welcomes all of you to the 2024-2025 school year. Let us always keep our students as the primary focus of our work while we celebrate their accomplishments and success.

Respectfully,

Mrs. Yurien Fernandez Four
Principal
