Be Ready for 7th Grade

Make Sure Your Children are Up-to-Date

Tetanus-diphtheria-pertussis (Tdap) immunization is required for all students entering 7th grade. It must be documented on an updated *Florida Certification of Immunization* (DH 680 form) and submitted to the school.

The protection from some early childhood vaccines can wear off. Review your child's immunization records with a health care provider to make sure all vaccines recommended for adolescents are up-to-date.

Florida immunization requirements are found in the *Immunization Guidelines for Florida Schools, Childcare Facilities, and Family Daycare Homes*, which is incorporated by reference in Rule 64D-3.046, *Florida Administrative Code*.
